Tel. No.: +91-542-2441187, 2440408  
Website : vasantakfi.ac.in

### Department of Home Science

#### U.G. Programme Outcomes (PO)

The teacher enables the student:

- PO<sub>1</sub> - To get in depth knowledge of their individual discipline
- PO<sub>2</sub> - To think creatively & critically.
- PO<sub>3</sub> - To have a cognitive clarity of the content.
- PO<sub>4</sub> - To train them in logical thinking and reflective reasoning.
- PO<sub>5</sub> - To develop social skill and environmental sensitivity.
- PO<sub>6</sub> - Apply the disciplinary knowledge in real life situations
- PO<sub>7</sub> - To appreciate and practice the universal values to be an efficient global citizen
- PO<sub>8</sub> - To make them digitally competent.

#### Programme Specific Outcomes (PSO)

The program enables the student to:

**PSO 1** - Comprehend the principles of human development to bring change in self, family and society

**PSO 2** - Develop skills in food & nutrition, textiles, housing, product making, communication technologies and human development.

**PSO 3** - Comprehend the basic concepts of Home Science like Human Physiology, Biochemistry, Microbiology, Environment, Consumer and Human Rights, Community Development and Extension Programmes.

**PSO 4** - Acquire professional and entrepreneurial skills for economic empowerment of the society.

**PSO 5** - Attain scientific and creative skills in Resource Management, Dietetics, Interior Designing and Textiles and Fashion Designing.

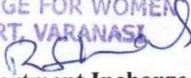

**PSO 6** - Gain theoretical and practical knowledge in research methodology and IT skills

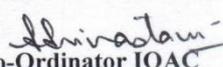

**PSO 7** - Apply and incorporate the principles of food science in real-world situations and problems

**PSO 8** - Understand the capacity for social and rural functioning towards better quality of life.

### Department of Home Science

#### P.G. Programme Outcomes (PO)

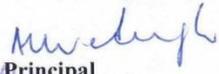

The teacher will enable the students:

- PO<sub>1</sub> - To achieve mastery in their discipline
- PO<sub>2</sub>- To apply critical reasoning and creative thinking in planning and dealing their daily life situations
- PO<sub>3</sub> - To develop a knack for research
- PO<sub>4</sub> - To be efficient in working cooperatively in teams and to develop leading quantity
- PO<sub>5</sub> - To have mastery in modern information and digital literacy
- PO<sub>6</sub> - To inspire them to become morally and ethically strong
- PO<sub>7</sub> - To train them to adopt inclusive society by respecting the diversity
- PO<sub>8</sub> - To become exemplary and inspirational in various fields
- PO<sub>9</sub> - To attain excellence in their individual fields.

#### Programme Specific Outcomes(PSO)

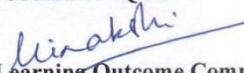

The program will enable students to:

- PSO 1 – Develop understanding research methodology and statistical tools and techniques for conducting research in the field of management of family resources.
- PSO 2 – Formulate financial management plan for home and in any professional financial institution.
- PSO 3 – Evaluate the management efficiency and its effectiveness in the family and hospitality industry and other relevant professions.
- PSO 4 – Acquire skill to work as professional interior designer in the residential and commercial areas.
- PSO 5 –Administer as an entrepreneur and to provide jobs to other persons will help in solving the unemployment problem and growth of the economy.
- PSO 6–Apprise consumer behavior, problems related with consumers and their redressal to protect home and society from unfair sales and advertising practices and exploitation.
- PSO 7 – Acquire entrepreneurial skills for becoming an efficient marketing or advertising professional.
- PSO8 – Create awareness regarding women's health and issues related to gender sensitization for making a better society.
- PSO 9 – Acquire entrepreneurial skills for becoming an efficient professional in the hospitality industry.
- PSO 10- Develop skill in house planning and different household activities.
- PSO 11- Create awareness regarding environment, environmental policies, movement and ethics.
- PSO 12- Gain experience in a project to develop research abilities and problem solving skills.
