Library building of Vasanta College for Women is situated in mid of the campus and has different sections like Acquisition Section, Technical Section, Circulation Section, Reference Section, Periodical Section, Text Book Section, Digital Library, Reading Room, and Photocopy Section for the benefit of students, faculty and staff members. Quality Books are being added to the library on a regular basis. The quality of education largely depends upon the collection of the books and other material in the Library. To enrich the library collection with quality books, library requests faculty members to recommend the latest books of their disciplines. Library collection encompasses Education, History, AIHC, Home Science, Sociology, Psychology, Music, Painting, Economics, Commerce, Political Science, Philosophy, Culture, Sanskrit, English, Hindi, Urdu and French Literature.

All the students and employees of the College are eligible for membership of the library. Library issued bar-coded library membership cards to the registered members. The categories of the library members are students, faculty members, staff members, and research scholars, etc. Library is catering to the information needs of more than 2,700 users with the help of its trained professionals. The library remains open from 10 a.m. to 5 p.m.

The total collection of Books in the library till 31st March 2022 is 47,442 and the collection of CDs/DVDs is 16. The collection of books includes general books, fiction and leisure books, textbooks, language books, reference books, and competitive books. Library subscribed to 57 journals, 09 magazines, and 12 newspapers. The VCW Library provides access to more than 6,150+ e-journals and 3,164,309+ e-books through NLIST, Digital Library Consortium, and INFLIBNET. Library register users in the National Digital Library of India (NDLI) which provides single-window search facilities to act as a one-stop-shop for all digital resources.

Library operations are automated using SLIM21 with Circulation, Cataloguing and OPAC modules for the library housekeeping operations. Users can find the latest additions of books in the library, the status of books (issued/on-shelf), and against his account books overdue against his/her name. Using SLIM21 OPAC users can search the Library Catalogue by Authors, Title, Subject, and Keywords. The library catalogue is automated and fully indexed. The entire library collection is bar-coded. Barcode technology enables the circulation of books in an easy, reliable, and user-friendly manner. Library staff members provide guidance in the use of information resources to its newly admitted students on regular basis.

A separate section for the digital library developed with 41 Computers to access open source publications and e-resources by the users. Library provides photocopy service to the users on nominal charges. Library is equipped with one photocopying machine. Library also procured 01 Inverter of 10KVA for power backup to all

computers in the library. This helps to minimize data loss and unwanted record freezing/jamming due to unwarranted unsystematic shutdown of a system caused by power failure. Apart from these libraries is equipped with a Wi-Fi facility, printers, and scanners.

The library is also equipped with 08 CCTV cameras for better surveillance of the library to detect and minimize any unwanted activities.
