PRINCIPAL'S MESSAGE

“The search for truth is true religion, and the man who is seeking truth is the only religious man”

Vasanta College for Women, Rajghat Fort, Varanasi has been one of the oldest institutions of Women's education. Established in the year 1913, enriched with a legacy of more than 110 years. It unfolds a beautiful blend of the traditional and the contemporary. Jiddu Krishnamurti often stated that the purpose of education is to bring about freedom and love, “the flowering of goodness” and the complete transformation of society. The college thrives on it and the eco-friendly campus located on the banks of river Ganga with green campus, enhances a spirit of co-existence which is conducive for holistic development of the students. The college since its inception has been working towards pursuit of knowledge and excellence.

Optimum transparency in faculty appointments, admission of students, upholding merit happens to be the foremost criterion. The work culture in the college/institution is self-motivated. The disciplined atmosphere of the campus is coupled with freedom of thought and expression. The college is known across India for the outstanding student-teacher relationship which is the foundation of learning. Fearlessness, human consciousness, introspection and self-learning act as the core institutional value which makes education inclusive. The students of the college are motivated to usher paradigm change and be integral to a globally connected world and continuously emerge with new ideas to make a difference.

Prof. Alka Singh
Principal

The college is recognized by UGC under section 2(f) and 12B of the UGC Act, 1956. Students from various states like Assam, Bihar, Chhattisgarh, Delhi, Himanchal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Ladakh, Madhya Pradesh, Maharashtra, Odisha, Punjab, Rajasthan, Telangana, Uttarakhand, North East, LEH Laddakh and West Bengal, India benefit from the educational facilities provided by the college. The current student strength is more than 3000.

The college incessantly serves the students with knowledge of Arts, Social Sciences, Education, Commerce, Bachelor of Performing Arts and Bachelor of Fine Arts along with proper emphasis on Indian culture and literature. It runs UG Programmes in nineteen (19) subjects and PG Programmes in fifteen (15) subjects as well as Ph.D. Programme. It also offers Certificate/Diploma & Advance Diploma Programmes under UGC Career Oriented Programmes and BHU Special Programme of Studies.

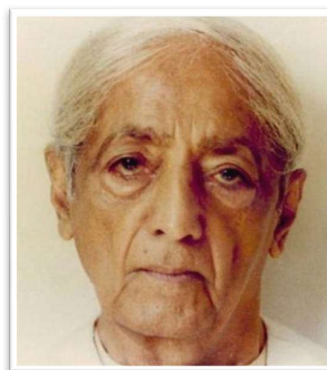

The college solemnizes the confluence of visionary ideals and objectives of Dr. Annie Besant, Shri Jiddu Krishnamurti and Bharat Ratna Pt. Madan Mohan Malviya. Maintaining its rich legacy for more than a hundred years. It provides an opportunity to young women for quality higher education and aims to work for an inclusive society. Vasanta College continues to fulfil the vision of its founder Dr. Annie Besant that reflects the commitment of this Institution towards women education as the cornerstone for making a strong and vibrant India as she envisioned, "Educational advance among women is the only means to social reforms... the treasure of philosophy, literature, science, art must be thrown open to her as to men. ...Women's wisdom as well as men's is needed to dig deeply and build strongly the foundations of the New India." Enabling women to enjoy equal opportunities in professional and public fields, the college envisions women as leaders and aims to nurture educated, confident and empowered women enriched by the love of learning.

The college strives to work in an atmosphere where there is no fear, no authority, only love, affection and a healthy relationship, which is the core of Krishnamurti's philosophy. Jiddu Krishnamurti (11 May 1895-17 February 1986) who is also called 'K' affectionately in campus, is regarded as one of the greatest thinkers of all time. He did not expound any philosophy or religion, rather talked of the things that concern all of us in our everyday lives, of the problems of living in modern society and the need for humankind to free itself from inner burdens of fear, anger, hurt and sorrow. He communicated a deep sense of respect for nature. His teaching, besides being relevant to the modern age, is timeless and universal. Based on J. Krishnamurti's teachings who believes that "Education is freedom from conditioning" (J. Krishnamurti, *The Whole Movement of Life is Learning*), the college remains committed to develop creative and critical thinking, nurturing innovation and excellence through education with a focus on the holistic growth of the students in an environment free from fear. This enables them to deal with life and challenges with confidence and a humanistic approach.

OUR FOUNDERS

Dr. Annie Besant

Sri J. Krishnamurti

Vasanta College for Women was established on 07 July 1913, by Dr. Annie Besant, leading figure of the Indian national movement including Pupul Jayakar, Achyut Patvardhan, S.L. Dhar, and many more. The College celebrated its centenary year in the session 2013-2014. Prof. Hari Gautam, Ex-Chairperson, UGC was the Chief Guest on the occasion.

The College started as the *Theosophical Collegiate School for Boys* and *Theosophical Collegiate School for Girls* in the Theosophical Society campus, Varanasi. The names of both schools were changed in 1917 as **Theosophical National School for Boys and Girls, Banaras** on the starting of the Society for Promotion of National Education (SPNE). It was affiliated to National University, Adyar, Chennai. The Girls School became a High School in 1920 and intermediate college in 1922 and was known as **Theosophical National Girls School and Women's College, Benares**. Since 1923, the schools and colleges sent pupils to the Allahabad University and later from 1948 to Banaras Hindu University. When Rishi Valley Trust was founded in 1928, these institutions were transferred to it. The Girls College in 1940s came to be known as the **Vasanta College for Women** as a mark of gratitude to Dr. Annie Besant, the founder of the College. The present name of the college was given in 1940 - 1941. The college was running B.A. Programmes and the first batch of eight girls appeared in B.A. examination as regular students for the first time in 1948.

The College was shifted to the present campus of Rajghat on the banks of river Ganga in the year 1954 but the building and the land was purchased in 1928. The building of the College and its sister organizations have architectural features of the British period. The office, study centre and the Sangam House (Principal's residence) were occupied by the British engineers, who constructed the railway bridge (Dufferin Bridge) over Ganga in the year 1897. The geographical location of the college and sister organization at the confluence of river Ganga and Varuna has a unique historical significance. Rajghat happens to be the oldest inhabited place of Varanasi dating since 8th century B.C. The nearby historical sites are the ASI excavated site of Kashi-Rajghat, Lal Khan's Tomb (Medieval Period), Adikeshav Temple and Ghat (one of the site of 1857 revolt) and Chandan Shaheed Mausoleum. The area of Rajghat has an intellectual heritage of its own. Lord Buddha passed through Rajghat crossing river Varuna to reach Sarnath and deliver his first sermon. Secondly, this place was blessed by the philosophical dialogue of Sri J. Krishnamurti, the Socrates of modern times.

VISION

“Educational advancement among women is the only means to social reforms... the treasure of Philosophy, Literature, Science, Art must be thrown open to her as to men... Women’s wisdom as well as men’s is needed to dig deeply and build strongly the foundations of the New India.” - Dr. Annie Besant

The college aims to produce self-confident, reliable, techno-savy, environment sensitive, innovative, socially responsible, research oriented, empowered and ethical women who can contribute for the promotion of dignity, social justice and equality in the society.

MISSION

The College is committed to the holistic growth of the students – academic, mental and physical, social and spiritual.

The college strives to work in an atmosphere where there is no fear, no authority, only love, affection and healthy relationship, which is the core of Krishnamurti’s philosophy.

The focus of the college:

- ❖ To instill in-depth and rational knowledge of the individual discipline.
- ❖ To develop intellectual efficiency through reflective, logical, creative and critical thinking ability.
- ❖ To prepare cognitively mature, emotionally strong, empowered, leading and progressive entrepreneurs who are technologically competent and ethically conscious.
- ❖ To sensitize ecological consciousness in students so that they are socially responsible and productive, interpersonally skilled, humane and global citizens.

***Where there is fear there is obviously no freedom, and
without freedom there is no love at all.***

-Jiddu Krishnamurti
